

DATA VISUALISATION WITH MS EXCEL

The Institute of Certified Public Accountants of Uganda in collaboration with M/S Data House Business Solutions Limited invite you for a training on **Data Visualisation with MS Excel Webinar** scheduled as follows:

DATE: 1 - 2 February 2024
VENUE: Zoom
TIME: 9:00 am - 1:00 pm

DESCRIPTION

In today's data-driven world, the ability to effectively communicate insights is a crucial skill. This data visualization with Excel course is designed to empower you with the knowledge and skills to leverage Microsoft Excel for creating powerful data visualizations and charts. This course will provide a solid foundation in data visualization using one of the most widely used MS Excel tools. Participants will be taken through the WHEN, WHY, and HOW to use each Excel chart type, introduce key data visualization best practices, and guide them through **interactive, hands-on Excel exercises** at every step. Participants will learn not only the technical aspects of creating various charts and graphs but also gain insights into the strategic application of data visualization in financial and non-financial decision-making.
